

XIV International Contest of Photography on Industrial Heritage

"Heritage, urban landscapes, industrial creation and contemporary cultures"

2017

Heritage, urban landscapes,
industrial creation
and contemporary cultures

The Association of Industrial Archaeology "Máximo Fuertes Acevedo" INCUNA, convenes and organizes the **XIV International Photographic Contest** on Industrial Heritage with the intention to make the significant and wide field of Industrial Heritage and Archeology through a universal artistic language, as in the photographic art.

1. This time the central theme of competition will be "**Heritage, urban landscapes, industrial creation and contemporary cultures**" in connection with the subject matter of the XIX International Conferences of Industrial Heritage, see www.incuna.es. The aim is to spread, value and project the images of industrial heritage related to the legacy of the industry, working memory and place, as well as immaterial and intangible heritage from a multidisciplinary perspective.

It will be explicitly valued the object in a context or in an environment that encourages and cause the enhancement of men, elements, processes or technical means, territorial spaces where people live and work and the visible projection that we have of them, in freedom and creativity of photographer artist.

2. Participation is open to all people regardless of their age and nationality. Professionals or amateurs photographers can participate

3. Size, presentation and technique:

- The work will be submitted on photographic paper, unframed and without passe-partout, with a minimum size of 20x25 and a maximum of 30x40 cm.

A CD with digital files of photographs must be delivered at the same time, which must have the following characteristics: tiff or jpg format (with minimum compression), RGB mode, 300 dpi, size 20 cm. on the biggest side.

- The work submitted must be original and unpublished, not having been awarded in other contests or published in print. Each author may submit up to five photographs in black and white or color, accompanied by a brief text of five lines, explaining each piece. Photographs not conforming to the theme will not enter the contest.
- To maintain confidentiality, the originals must be presented with a **generic title**, or slogan that will appear on the outside of a sealed envelope and the back of each photograph. The interior will include author's name, his/her address, telephone number, e-mail and a photocopy of passport or identity card.

The **deadline** for acceptance of completed works concludes on **August 31th, 2017**.

Certamen Internacional de Fotografía 2017

5. The winning photographs will be part of the documentary file of the Association of Industrial Archaeology "Máximo Fuertes Acevedo" INCUNA that reserves the right to use for its advocacy of industrial heritage, nonprofit, and the review the author's name.

The rest of the works will stay in deposit, for one year, period in which, if the organization was considering it suitable, they will be able to be an object of exhibition and of reproduction with advertising purposes. Passed this time, if the author wishes it will be able to request his return, in opposite case they will become part of the documentary file of the above mentioned association.

6. The jury will be appointed by the organization, chosen among professional photographers, historians and cultural world personalities. His decision will made public to the media in the second week of September. The awards ceremony will take place during a public event before September 22.

7. The verdict of the jury is final and reserves the right to interpret the present regulations.

8. There shall be a first prize of 600 Euros (in an *El Corte Inglés* purchase voucher). The amount is subject to withholding taxes or taxes required by law, unless exempted by the competent organ of the Administration.

9. Participation in the competition implies full acceptance of these bases.
